Import Processing Charges

The Australian Border Force (ABF) applies Import Processing Charges (IPCs) when you make a declaration for imported goods. These charges are set out in the following table.

Communication of Import Declaration (N10) and Warehouse Declaration (N20)

|

Lodgement Type |

Consignment Value |

Cargo Channel |

Charge (AUD)

|

Electronic | ≤$1,000 | Sea / Air / Post | $0.00

| > $1,000- <$10,000 | Sea / Air / Post | $50.00

| ≥$10,000 | Sea / Air / Post | $152.00

|

Documentary

| > $1,000- <$10,000 | Sea / Air / Post | $90.00

| ≥$10,000 | Sea / Air / Post | $192.00

Warehoused Goods (N30)

|

Lodgement Type |

Consignment Value |

Cargo Channel |

Charge (AUD)

|

Electronic

| All | N/A | $23.00

|

Documentary | All | N/A

| $63.00

For more information, see Australian Customs Notice No. 2015/44.

Goods imported under Status of Forces Agreements (SOFAs) are exempt from IPCs. For more information on SOFAs and IPCs, see Australian Customs Notice No 2023/36 Exemption from IPCs for goods imported under SOFAs.

Biosecurity cost recovery charges on imports

The ABF collects biosecurity cost recovery charges (biosecurity charges) on behalf of the Department of Agriculture, Fisheries and Forestry (DAFF). This applies when you make a declaration for imported goods. These charges are set out in the following table.

| Item

|

Charge (AUD) |

Who is affected?

| Full Import Declaration charge – air | $48.00 | Customs brokers and importers of consignments over $1,000.

| Full Import Declaration charge – sea

| $71.00

| Customs brokers and importers of consignments over $1,000.

For more information, see ACN No. 2026/23 Increase to to Biosecurity Cost Recovery Charge and 106-2026: Commencement of changes to regulatory charges for biosecurity and imported foods - DAFF. You can also contact DAFF directly at BioCRIS@agriculture.gov.au.
